Community Welfare To Profit in Newspaper Subscription Drive

Each New Subscriber Produces Dimes For S.V. Group's Fund

A giant, new subscription drive is being launched this week by this newspaper in an attempt to bring its circulation total over 10,000 paid readers weekly.

The campaign will be focused on the Spring Valley area where the Spring Valley Bulletin, the sister publication of the Lemon Grove Review is circulated. The Spring Valley Bulletin's circulation is currently 3,407 and the Lemon Grove Review's is 4,903 for a total of 8,311.

The campaign will be developed by telephone by the William Piper Agency of Los Angeles in conjunction with the Spring Valley Community Welfare Inc., which has headquarters at its Thrift Shop, 3648 Bancroft, S.V.

According to Mrs. Ray Iles, president of the Welfare group, her organization which admin-

last year, especially at the holiday season.

The Welfare group, Mrs. Allen said, renders temporary aid to needy families until they can be referred to an agency for long term assistance.

Persons interested in participating in the aid of needy families may get added information from Mary Clark at 466-4443.

The Welfare group furnishes Thanksgiving and Christmas baskets to Spring Valley needy. Toys for youngsters and gifts for each family member are added to the Christmas basket. The high school and elementary schools of the S.V. district aid in this program by collecting clothing in October and canned goods in November.

Need Greater This Year

Harriet Allen, member of the Welfare board said this week that the need for aid this year would probably be greater than

aid; the annual Lewis-Clark Girl Scout campership; two scholarships for Mt. Miguel students under the name of Jessie Higbee, a founder of the Welfare group, and two proposed scholarships for Monte Vista High school students.

As the subscription selling group lists the names of new subscribers (the post office department requires that readers be paid subscribers in order for

the newspaper to qualify for second class privileges) and their funds are turned in, the names of these subscribers will be listed in a story that will be run each week on the progress of the campaign.

Those who wish to contact the Welfare group or this newspaper concerning the project may call Max Goodwin at 469-0101 or Mrs. Allen at 469-5179.

School Tax Election Seen Here In 1963

An over-ride election will be needed to meet L.G. elementary school district expenses regardless of what presently foreseeable state aid is made available, Byron Netzel, district superintendent told school trustees Tuesday night.

The election should be held in late winter or early spring of 1963, after the amount of state aid is made known, he said.

The board was authorized by the State Dept. of Finance to reduce the price on excess property at San Altos school from \$10,500 to \$8,000 and in this they concurred.

The board also formalized recognition of the L.G. District Teachers Assn. as the legal representative for school personnel. There is no change in this relationship, Netzel explained, but law requires that formal recognition be given of

a body to establish communications between employer-employee groups.

The next meeting will be at Mt. Vernon school on Nov. 26 where Principal Wiley Cornelius will present a program of school activities. This will be in addition to the regular business to be brought before the board.

Mt. Miguel Band, Marching Units Win Autumn Band Review At State

Mt. Miguel High school band is going to be in the Rose Parade New Year's Day!

The honor is theirs because Saturday at State College they played and marched their way to victory over eight other competing high school groups in the Aztec Homecoming Parade and Autumn Band Review.

Mt. Miguel now adds another important win to its record.

The band was preceded by 10 smartly-uniformed and smart-stepping banderettes with big fans which when opened collectively spelled out "Mt. Miguel" when turned one way and "Matadors" when reversed. Also in front of the 123-member band were Francie de Pietro, award-winning twirler and drum major Carol Hensley.

Along with the band were the girls of the colorful Cape and Cadence Corps who with rhythmic swirling of colors and sounding of tambourines caught a great deal of attention from spectators lining the parade route along Montezuma road near State College.

Only the band will be in the Rose Parade because by tradi-

tion other units don't appear on this occasion.

Pride In Every Step

The judge rating the units in the parade on music and marching wrote on the Mt. Miguel rating sheet: "This is a unit that shows a justifiable pride in every note and every step."

The Matador students and their director, Larry Christianson, couldn't help agreeing as they admired Saturday's trophy and started making plans to be in the annual Pasadena Tournament of Roses. Christianson, who has led the Mt. Miguel organization to victory upon victory in high school competition, remarked:

"This is one honor that we worked very hard to attain and it is a thrill for all of us."

The Mt. Miguel band will be representing all of San Diego County at the Rose Parade.

School Rejoices

Regarding the school's win in the Nov. 10 Homecoming Parade and Autumn Band Review, Mt. Miguel Principal Mel Grant said, "The achievement reflects

Pentagon News Control Is Weapon Of Offense Against U.S. Citizens

The Republican Newsletter last week made some shocking revelations concerning the new censorship concept in the Kennedy administration.

This, in spite of Kennedy, as a presidential candidate saying that the American people, "if they are armed with the truth, can be trusted to make the right decision."

But President Kennedy changed Candidate Kennedy's mind, the Newsletter reminded us.

Assistant Secretary of Defense, Arthur Sylvester, the Pentagon's news officer, verified what every Washington reporter knew. . . the public had not been told the whole truth about the Cuban crisis. He told reporters the Pentagon had made public only such information about the Cuban affair that he and other omniscient manipulators of the news wanted the people to know. "I can't think of a comparable situation," he said, "but in the kind of world we live in, the generation of news by the Government becomes one weapon in a strained situation. . . Obviously, no Government press officer would dare introduce such a policy without White House clearance."

The press promptly reacted. Lee Hills, president of the Amn. Society of Newspaper Editors, wired Sylvester that his statement "comes as a deep shock to responsible newspaper editors." Hill supplied Sylvester with "a comparable situation"—the standard Kremlin controlled news.

The Washington Evening Star termed Sylvester's words "truly sinister." The N.Y. Times, normally pro-administration, said: "There is no doubt that 'management' of the news. . . is censorship by a sweeter term." The Washington Post called it alarming.

But while Sylvester let an ugly cat out of the bag, the fact is that "management" of the news long has been New Frontier policy.

Item—A Congressional report on the Billie Sol Estes case has been withheld until after the election to avoid premature disclosure that Pres. Kennedy, Vice President Johnson and Secretary of Agriculture Freeman and several Demo Congressmen received regular gifts of expensive fruit from the Texas manipulator—and wrote thank-you notes—some of them offering support of Estes' activities.

Item—A "confidential" U.S. Office of Education document entitled "A Federal Education Agency for the Future" revealed detailed plans for Federal control of schools in the event President Kennedy's school aid bill was approved by Congress. Every official in Washington had denied any such plan existed.

Cake And Candy Sales To Aid Lion's Projects

The Lions club fruitcake that became a part of your holiday purchases in the years past, will be augmented this year by boxes of chocolates, it was announced by Dr. Robert Conlin, 1962 fruitcake chairman for the L.G. club.

Starting Friday, he said, one and two pound boxes of assorted chocolates will be sold to those who want a switch from

the fruitcake. Candy, as welltime will be volunteered by as fruitcake receipts, will be local Lions club members to use for local recreation activities and other worthwhile local projects.

This year, Dr. Conlin said, the club is committed to a senior citizens' project at the Green Spot park, now being developed at Washington and Alton sts. He said that more than \$1,000 and 800 man hours of

will be provided for youngsters through the Pop Warner Football League projects. Lions members will circulate through the business section of the community beginning this week to sell the two products.

WINNERS — Judges awarded first place trophy to the L.G. Junior high school band and pom-pom corps Saturday as they topped six other organizations to take the prize. Competition was staged during S.D. State's Homecoming Parade prior to the football game between State and College of the Pacific. The parade was the last one on the band's schedule this year. Next competition will be the Maytime Revue in National City. The band was directed by Harry Weisgerber. Half of the total of 90 members are new to

the organization this year. Members of the music group will be concentrating on holiday season music as the Concert Band and Orchestra until after the Christmas holidays. Showing some of the form displayed by members of the prize-winning marching groups are Joyce Jackson, 8th grader pom-pom girl, daughter of Mr. and Mrs. C. A. Jackson, 7219 Carmenita rd. and Worth Ward, 8th grade trombonist, son of Mrs. Fred I. Ward, 3346 Sweetwater rd., both of Lemon Grove.

NO GLORY FOR SCHOLAR HINKLEMAN

Michael Hinkleman, a junior at Mt. Miguel High school hasn't been getting his share of fame for being one of the top graders at the school. His name sent to this paper from Mt. Miguel naming the Matadors who've been accepted by the California Scholarship Federation.

This wouldn't have been so bad, contended his father, if Mike's name hadn't been omitted also from last year's yearbook. Mike possesses the distinction of two years of membership in the CSF. Membership is gained and kept only through good grades.

The press hereby comes to scholar Hinkleman's rescue.

HUSBANDS RIDE TO CASA DE ORO PARTY IN RICKSHAWS SATURDAY

In the neighborhood of Granada and Cordoba streets in Casa de Oro is a small group which likes to have parties. The parties occur with some regularity and last Saturday night the most recent one was held at the home of Mr. and Mrs. Roger McKay of 3968 North Granada. It was different.

If you don't believe it was different, you might ask some of the neighborhood folk if they spotted Glen and Juanita Mangels and Doug and Kay Vanice on their way to the affair. If they did, they would remember because the girls were pulling their husbands to the oriental-motif party on rickshaws.

Furthermore, the wives were dressed in capris, oriental blouses and coolie hats.

They had kept the rickshaws a secret from their husbands until the last moment. Then their spouses were invited to board the contrivances made of chairs and bicycle wheels (with the aid of brother-in-law Russell Mangels).

When the puffing ladies and their contented husbands reached the McKay house, they found a gong in the frontyard and an orange frontdoor as part of the oriental decor.

When dinner was served the two rickshaw lords lost a certain amount of contentment. Like everyone else, they were faced with the difficult challenge of eating their meal with chopsticks.

Bruce Porteous... "I was grading history papers..."

Area Teacher Loses Money, Clothing In Jamul Hold-up

by BETTY SEYMOUR

When Bruce Porteous, 46, a history teacher at Hoover high school and president of the Jamul Community club was held up at 9:30 p.m., Nov. 7 by two men, the wheels started rolling for their capture as runaways the day before, from Minnewawa honor camp.

Porteous was correcting papers of his history class when he went to investigate the noise outside his home high on a hill on Highway 94, east of Jamul.

Porteous told me that two men crashed in the screen door, bearing him to the ground as he switched on the outside light. Then he described his harrowing experience in these words:

"I knew they were the runaways from Minnewawa because they had knives and looked as if they meant business."

"Where's your money?" they asked while they were binding my hands behind me with adhesive tape.

"On top of the bottled water," I said but because there was only \$2 I decided I'd better tell them about some more money I had in my wallet.

"They were gentlemanly and considerate, even placing a pillow on the floor for my head. They asked questions about my work and the possibility of visitors. Then they decided to really tie me up but they had trouble making knots."

"Then they started taking things. I asked them to leave my wallet and identification cards but they didn't. They took my typewriter, razor and camera and a clothes hamper nearly filled with sox mostly."

"Then they asked if I wanted to be put on a bed or left on the floor. They blindfolded and gagged me after they put me on the bed where I requested."

"They took my car and left. Then I inched my way to a hook above the bed and got the blindfold off. When I worked the twine off my ankles I ran to the house of Mrs. Aileen Metevier, the Jamul postmaster, a short distance away. She let me in and I called the Sheriff."

Later, Porteous identified the men who had been picked up by Sheriff's Unit 406 in Casa de Oro less than an hour later as the alleged robbers.

The men registered as Dwight A. Anderson, 30, of Las Vegas and Robert N. Hearsum, 35, of Bellflower. They were both wearing Porteous' clothes and each had on a pair of his shoes.

Veterans Day Observance Here Termed Success

The four-day First Annual Veterans Day observance in Spring Valley and Lemon Grove was a success, according to MSgt. Edward R. Edwards, USA, recruiting officer of La Mesa. About 150 persons attended the banquet Sunday evening in the S.V. Chamber of Commerce hall.

Lt. Gen. John W. O'Daniel, USA (ret.) guest speaker talked on "What the Veteran Can Do Now." He told about his experiences as an attaché of the American Embassy in Moscow and of his duty in Indo-China and Vietnam.

He said that veterans of today are "true Americans" and can do much to combat communism in this country by maintaining a strong front. He praised the Spring Valley area and said it should be called the "Valley of the Veterans," because there are so many veterans living in it. Gen. O'Daniel said the street on which the Chamber of Commerce hall is located, "Memory Lane" is a great tribute to veterans.

The DIMMER VIEW

(Continued)

Item— After the Vienna summit meeting, the American people learned from Khrushchev—not President Kennedy—that the Soviet Premier had handed the American President an ultimatum on Berlin.

Item— The Government's mid-year review of the budget was withheld until after the election because it will disclose embarrassing new deficits.

Item— Not until Oct. did the Administration admit—that the National Maritime Union, the Longshoremen's Union and many newsmen had been saying—that "free world" shipping had played an important role in the Communist buildup in Cuba. The Maritime Administration said: "The number of free-world ships in the Cuban trade... were about double the comparable figures for Soviet Bloc shipping" in the June-August period. Under a "managed" news policy, however, the facts could be the reverse of what the Government said.

Item— Newspapers—not the Government—disclosed that President Kennedy, on the advice of civilians, had withheld air cover from the Bay of Pigs operation, and so insured its failure.

Every one of these items affects you. That's why every citizen, together with his newspaper, should be terribly alarmed over the new "managed" news policy of the Pentagon.

Donovan Can Lead GOPs

Dick Donovan, the personable and capable young attorney from National City who is our new Assemblyman, won against the most formidable obstacle the opposing party could set against him.

The 77th District was gerrymandered to give Democrats the best possible advantage. It was so well engineered that it provided the springboard for Van Deerlin to easily smother Dick Wilson in the 37th Congressional District, part of which has the 77th Assembly District in it.

Donovan turned his attention away from the law practice which had just started to become lucrative to devote his time to running for the office. His basic philosophy has been that people have a right to better representation at Sacramento than they have been getting.

As Republicans look about for a new symbol of leadership in the state, it would not be surprising for them to give the call to Dick Donovan after he has seasoned for a term or two.

The Close of an Era

Perspective of the election is clearer now that the post-mortems, alibis, explanations and heat-of-passion of the candidates have passed into limbo.

With the passing of this election also passed a Republican era in the state of California that had the facade of unity but beneath the surface was a continuing turmoil of thwarted political ambitions.

Keeping the lid on this boiling mass was Dick Nixon, who sang a swan song to politics last week, whether this was his intent or not, when he questioned the integrity of the press, while, at the same time, informing the GOP that they would have to seek leadership elsewhere.

It was just 10 years ago, in 1952, when Nixon clambered over such personalities as Knight, Knowland, and Warren and eventually became a candidate for the highest office in the land. That the fire still smoldered was shown by the fact that neither Knight, Knowland nor Warren groups came to Nixon's aid during his campaign.

Looking back a week, few observers would now deny that Nixon was admitting defeat when he made his final television appearance. His appearance was billed as a no-holds-barred, smack-the-opponent wind-up. He promised to unfold previously unrevealed facts about his opponent. With an audience probably as great as his debate audience, he did little more than whine. He was still whining when he put much of the blame of his defeat on the tired shoulders of the state's newspapermen as he emerged from election day seclusion.

The fact that we strongly supported Nixon did not obscure our vision to the fact that Nixon developed a warm television personality but his words, on paper, appeared cold and condescending. Brown was a bumbler on tv but his statements on paper had human warmth in them. Little wonder Nixon condemned the press and praised tv.

As every tv viewer knows, he must go to his newspaper for the meat of news stories and speeches so that he may read and reread obscure elements until he understands.

It was in the rereading that Nixon took a beating.

U.S. Trains New Breed, Recruiter Tells Club

There's a new breed of fighting man in the modern U. S. Army, Msgr. Edward R. Edwards, a Lemon Grove man who is Army recruiter for this area told the L.G. Men's Club Friday.

The new breed is educated, intelligent and brave. He is a member of the Special War Forces, or guerrillas, Edwards said.

These men are trained for duty anywhere on earth under any type of condition. He is able to defend himself, infiltrate the enemy, and live off the land. He is an expert in the culture of the country in which he works. In addition to all this, the man is a paratrooper. He urged that young men consider the Army for education and for career.

Sgt. Edwards told the club that formation of a veterans auxiliary organization, the largest in the county, would be centered in Lemon Grove if plans materialize. "We're setting up a year's schedule to help develop the auxiliary," he said. The program honored Veterans' Day.

The Men's club will hear a woman this week. Mrs. Betty Higgins, teacher's consultant for the L.G. school district will discuss curriculum and the various stages of development of the elementary school student. She is author of several nationally distributed articles on teaching processes.

Her appearance at the club coincides with National Education Week.

Her subject Friday will be: "The Fourth 'R'—Reasoning."

The club meets at Michael's at noon each Friday and all men are encouraged to attend. Meetings are informal and non-political. There are no dues nor initiation fees. The club is sponsored by local men who want to keep informed on local activities.

Shell Oil Tells Sups. To Over-ride Planning Comm., Peoples Objection To 'Prettiest Station In Country'

SAN DIEGO (CNS)—Lemon Grove is going to get "one of the prettiest service stations in the country," if developers are granted a zoning variance for a sign and a pump island.

Supervisor Frank Gibson Tuesday told fellow board members about how good looking a proposed Shell station is to be. And he asked the other Supervisors to go out and take a look at the area before making up their minds about the variance.

"These people are going to spend a lot of money out there," Gibson said.

The applicant was Burgess, Fuller and Nelson. They were asking to be allowed to put the sign and pump island closer to the center of the street than the zoning allows at the northwest corner of Mass. ave. and Waite dr.

The Planning Commission had denied the variance request, after receiving a protest petition signed by 57 neighbors

the high level of workmanship accomplished by the band members as well as their leader. We are proud because we feel that this is a just award, one that was garnered through 'blood, sweat and tears.' This is one area where there can be no substitute for hard work and scholarship. The whole school rejoices in this achievement.

Prior to Saturday's crowning accomplishment, the band had won the sweepstakes trophy in the Arcadia Band Review in 1959 and 1961; the sweepstakes trophy at the Maytime Band Review in 1958, '61, and '62; first in their division (class A) at the All-Western Band Review at Long Beach in 1958, '59, '60, and '61. MT. MIGUEL GRIDDERS LOSE 7-6 TO MAR VISTA

by DAVID CARPENTER

For the second time this season, the Mt. Miguel football team lost a football game by an embarrassing one point. Mar Vista Friday night edged out the Matadors 7-6.

Mt. Miguel did win in a 28-19 victory over Monte Vista on the weekend before. But the weekend before that the score was 7-6 with the Matador opponent the victor.

In Friday night's game Larry Wilkins of Mar Vista booted the extra point—which proved the deciding point. Luther Clark's extra point try for the Matadors was a near miss.

The Mar Vista touchdown came on the opening kickoff of the second half. Ron Kammerer took the ball on his own 20 and ran 80 yards straight up the field for the TD. Mt. Miguel drove to the Mariner 35 yard line on the next kick-off, losing the ball on downs. A few players later Mar Vista quarterback Jeff Carlovsky

fumbled the ball while trying a pass. The Matadors recovered on Mar Vista's 33 and pushed to the Mariner one yard line where Matador quarterback Steve Frank scored on a plunge through the middle.

'Mortals And Immortals Text At C.S. Churches

Spiritual healing will be a topic dealt with at Christian Science services Sunday in a lesson-sermon on the subject "Mortals and Immortals."

Scriptural selections will include this verse from Matthew: "And when he had called unto him his twelve disciples, he gave them power against unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease."

One of the correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states:

"Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit, as Jesus destroyed them. This is an element of progress, and progress is the law of God, whose law demands of us only what we can certainly fulfill" (p. 233).

FIRST BAPTIST MEN SET DINNER MEETING

'Joined In Heart' Davis Sermon

"Joined In Heart" is the title of the sermon that Rev. Richard G. Davis will deliver at Thanksgiving Sunday services this week at Vista La Mesa Christian Church.

Rev. Davis will seek to answer questions like: What is eternal life? Is immortality a Biblical doctrine? What part does the resurrection play in the Christian hope of eternal life?

At the 9:45 a.m. service, the music will be "There Is Balm In Gilead" by the sanctuary choir. At the 11 o'clock service the canticle choir will do "The One-Hundredth Song."

"SALVATION"

The salvation which the Father conceived and the Son purchased for us is presented to us in the Word of God. When we read the Bible, we meet the Father and the Son and we are offered the free gift of salvation. It has been bought for us, now we must receive it as a free gift.

BABY SHOWER, VISITORS, NEW RESIDENTS IN SWEETWATER LODGE NEWS

by VIRGINIA M. DARNELL
Mrs. Fisher Layne of space 15 entertained 20 friends on Nov. 1 in the recreation hall when she held a baby shower for her granddaughter, Mrs. Vera Rogers. The decoration motif was storks. Coffee, punch and cake were served. Vera received a number of handy things for taking care of a baby.

Mrs. Marie Seeley, former assistant manager of Sweetwater Lodge, returned here for a visit and to participate in the election. Little Bridget came along too.

Mr. and Mrs. Seeley are presently residing in Hemet where they manage the Travelodge.

William and Kaaren Terry, natives of San Diego County moved into space 154. The Terrys have a 21-month-old son, Mark. Bill works at Astronautics and attends Grossmont College.

Mrs. Ethel Heath and her uncle James P. Vertz have returned to Sweetwater Lodge after a three-month absence.

We must welcome new arrivals into the world as well as into the park. A first child, James Richard was born to Susan and Jim Davenport, space 251 at Grossmont hospital on Oct. 13. Jim and Susan have been with us since February. We all extend congratulations on this happy occasion.

Lydia and Jesse Steward are also in line for congratulations. A second daughter, Leah Renee was born at Helix hospital on Oct. 25. Both mother and daughter are doing nicely. We found the tiny one sleeping and mother folding diapers.

Deenan and Terry Sverdstem of space 249 became proud parents on Oct. 14. Their third child, Paul Deuy was born at Grossmont hospital. The Sverdstems have resided here since March. Congratulations!

Charles Wilkerson, known as Bill, and his wife, Peggy Lee have settled in Space 224 along with their two sons Don, 3, and Bill, 9. Bill works at General Dynamics and comes from the Roswell, New Mexico installation. Peggy Lee and Bill are natives of Arizona.

Mr. and Mrs. Herman W. Rose checked into Space 55 this month. They are hard to catch. If you wish to meet them, they will be found at their Doughnut Shop on University avenue.

Mrs. Evelyn May returned home today from a five-day stay at Grossmont hospital. Get well soon, Evelyn. We miss you at our regular pinochle games.

Sixth graders at Highland Elementary school return this weekend from an enjoyable week at camp.

WELCOME TO WORLD

We must also welcome new arrivals in the world as well as in the park. A first child, James Richard was born to Susan and Jim Davenport, space 251, at the Grossmont hospital on Oct. 13. Jim and Susan have been with us since last February. We all extend congratulations on this happy occasion.

Calkins Serving As Advisor To VFW Explorer Post In S.V.

The Spring Valley VFW, post 6474 has organized the first Explorer Post in South Spring Valley. Officials of the post are Chuck Calkins, advisor; John Peverly, assistant advisor; Howard Carlson, institutional representative and committeeman and Harry R. Ridgwell and Robert Frazier, also committeemen.

Boys interested in joining the new Explorer Post are to call HO 6-8260.

Calkins also helped organize Avondale School's Boy Scout Troop 357 three years ago. Two of the charter scouts of that troop are charter members of the post, Calkins reported. They are Scout First Class Bobby Calkins and Life Scout Bob Peverly. Other boys transferring from the troop to the post are Dave Carlson, Roy Freeman and Doyle Oldham.

Mrs. John Peverly said that she sent a request to Congressman James B. Utt on Oct. 21 for a flag that had been flown over the capitol for the post. It arrived on Oct. 27.

MOTHER GOOSE READY FOR SUNDAY PARADE

Familiar rhymes of children will come to life Sunday at 2 p.m. when the 18th annual Mother Goose Parade begins a three-mile tour from Ash and Magnolia in El Cajon. It ends at Second and East Main.

A record total of 116 units, including 37 colorful floats, will comprise the 1962 event, which Parade Association officials predict will be the biggest and best.

Some of the Mother Goose rhymes that will come to life Sunday are: Three Blind Mice, Simple Simon, There Was An Old Woman, Rockabye Baby, Humpty Dumpty, This Little Pig Went to Market, Tom Tom the Piper's Son, Pussy in the Well, Farmer in the Dell, and Little Bo Peep.

Viewing will be better this year for the thousands who

come to witness this second-largest parade in the state—the route has been lengthened by half a mile.

Featured guests of the Parade will be 9-year-old Ronny Howard, who is "Opie" in TV's Andy Griffith show, and Maj. Gen. Sidney Wade, USMC, commanding general of the Recruit Depot in S.D., who is grand marshal.

There will also be 23 bands, clowns by the dozen, a display version of the X-15 rocket aircraft, Sleepy the Bear, Mr. Peanut, unicycle riders, a bucking Ford, an historic airplane, and a miniature Model-T.

Chapter leaders will be hand-somely attired riders, including Scott Miller, of the Wagon Train TV series.

Sixteen-year-old Jonna Dahl, of El Cajon, will reign over the

parade as Cinderella Princess, and with her court of honor, will ride on the Princess Float. It all adds up to the greatest Mother Goose Parade of all—far beyond the dreams of Tom Wigton who originated the parade back in 1947 as a "stunt."

PARADE WATCHING SPOT RESERVED FOR CEREBRAL PALSID KIDS, FAMILIES

The southeast corner of Anza and Main in El Cajon has been reserved for cerebral palsied children and their families who want to watch the Mother Goose Parade which is this Sunday, Nov. 18 at 2 p.m. Seating will not be furnished.

CAREER DAY—Kenneth Brokaw, 16, a senior at Mt. Miguel High school, left above, was one of the 84 San Diego city and county students who attended Career day in Selling in San Diego Monday. He lives at 1776 Dayton st., L.G. The insurance agency/company visit was under the auspices of the Insurance Agents Association of San Diego. Also in the above picture are officials of the agents association, and the company.

SANTA'S MAIL BOX—Area boys and girls will soon be receiving letters directly from Santa Claus, Indiana through an arrangement made with the Claus who live at the North Pole, by the B. F. Goodrich people who have a store at 7285 Broadway, L.G. Parents will address an envelope, provided by the Goodrich people, to whom they think are deserving a letter from Santa. Mom or Pop may then put into the envelope one of several already printed messages of greet-

ings. Pop then gives Mom 4¢ for a stamp and the letter is delivered to Santa's Indiana headquarters where it is postmarked. The letter with the Santa Claus postmark is then delivered.

In the photo above are Mrs. Alice Nechochea of 3808 Riviera dr., L.G. and her daughter Andrea, 5, who attends Golden ave. kindergarten, and Don Johns, Goodrich store manager show Mrs. Nechochea how Santa's Post-office, he recently installed, works.

PHONE DIAL STICKERS SHOWING ALL-NUMERAL NUMBERS BEING MAILED

"San Diego County residents last week began receiving pressure sensitive stickers showing their all-numeral telephone numbers. These stickers will fit over the present number plate on their telephone dial," D. G. Langille, division commercial manager for Pacific Telephone announced.

The plates will be mailed to homes progressively during November and are part of the county-wide conversion to the new all numeral dialing system which will go into effect with the delivery of the 1963 telephone directory in late December.

Not every union is known by the name and not all of those operating effectively are concerned with the welfare of laboring men.

Mt. Miguel Boosters Slate 5th Annual Poinsettia Ball

The fifth annual Poinsettia Ball, Mt. Miguel High school Booster's Club's "gift to the community," will be held on Dec. 1 at 8 p.m. at the school. This annual affair is for Mator parents and other grown-ups who would like an evening of dancing to a good orchestra, with refreshments and raffle prizes. Dressy dress will be the style.

Mrs. Ted Arrington is chairman of the event; Mrs. W. H. Apple and Mrs. L. McKinney, decorations chairman, and Mrs. McIrwin Swinney, raffle chairman.
